

Business  **Education**

Business  **Education**

O2i Opportunities to Inspire links business and education across Oxfordshire.

We offer tailored support and an online platform and resource hub.

Teachers can post opportunities for O2i volunteers from business to interact with their students in a variety of ways: talks, mentoring, interview workshops, project-based learning...

These interactions inform and inspire young people about the world of work, empowering Oxfordshire's future workforce.

O2i Advisers

- O2i Advisers are experienced business people working at a strategic level with schools and colleges to increase and support education business links
- O2i Advisers expand and draw on their own networks and the O2i community to increase employer engagement in local schools
- O2i Advisers act as ambassadors for education business links across the county

If you're committed to working with education to encourage business links, APPLY to be an O2i Adviser at O2i.org

O2i Volunteers

- O2i Volunteers are individuals from any profession who inform and inspire young people about their futures and the world of work
- O2i Volunteers interact with students in a variety of ways, including workshops, talks, mentoring and careers fairs
- O2i Volunteers represent business at any level, in any profession, and across any sector

If you're passionate about your sector and are keen to inspire young people REGISTER to be an O2i Volunteer at O2i.org
