

Mark Evans, CEO Adaptix Ltd

E. mevens@ashovergroup.com

Mark, a Chartered Accountant and Corporate Treasurer holds an MBA from Saïd Business School and is experienced in technology businesses from pre-revenue start-ups to listed companies.

His experience includes venture capital backed businesses, mergers and acquisitions, post-merger integrations and co-founding start-ups. Currently, Mark chairs Mirada Medical Ltd. and leads Adaptix Imaging Ltd.

Mark holds non-executive positions at Oxford Nanosystems Ltd. and at Cydar Ltd. and has invested in early stage companies, as well as being a lecturer and mentor on the Goldman Sachs 10,000 Small Businesses Programme.

Network Navigators provided through Oxfordshire Business Support are also available for Cryogenics, Digital, Media and Publishing, Life Sciences, Low Carbon, SME Support, Space and Satellite Applications and Social Enterprise.

INVESTMENT IN OXFORDSHIRE

- Over 55,000 people are self-employed in Oxfordshire representing 11.5% of the economically active population
- Two great Universities, which host world-leading faculties, provides the potential to support and encourage entrepreneurs and innovators as well as attracting global talent and businesses to the region
- Oxfordshire boasts global leadership in clusters such as cryogenics, publishing and motorsport and has several science parks with pre-eminent facilities.
- Oxfordshire's future will come with ideas being promoted and developed by local resources.

About Network Navigators

The Network Navigator's role is to ensure that anyone seeking help is signposted to the support they need and to work together to build an environment that encourages and supports innovation.

The Network Navigator for Investment is Mark Evans.
